Preliminary Championships in England, Scotland and Wales

Implementation date 1st January 2021

- A minimum number of three Adjudicators must officiate.
- The first age group for a Preliminary Championship is Under 10.
- Where a Preliminary Championship is held separate from an Open Championship, three rounds should be offered, namely; Reel or Slip Jig, Heavy Jig or Hornpipe and any Set Dance.
- Where a Preliminary Championship is combined with an Open Championship, then the result should be taken from eligible dancers' ranking after **the first two rounds**.
- Where there are separate Preliminary and Open Championships, dancers can compete in both at the discretion of the Feis organiser.
- Where a competitor wins two Preliminary Championships they must dance in Open Championship for a period of 12 months thereafter.
- For grading purposes, two wins will be taken as being in any two year rolling period. Where a dancer does not win a second Preliminary within two years of winning their first Preliminary Championship, then the first win will be deemed as having expired and the dancer starts afresh.
- Where there are less than 6 in a Preliminary Championship that win will not normally be considered for grading purposes. However, where a dancer wins three Preliminary Championships regardless of the number of competitors in each competition, that dancer must dance in Open Championship for a period of 12 months thereafter.
- Dances performed in a Preliminary Championships do not count for grading in solo competitions.
